Our background:

Company Siguldas maiznieks produces confectionery and flour-based products with long term expiration (150 days) since 2001.

Our main product groups are cookies, crackers, waffles and cakes.

We have all the necessary requirements and regulations that are certified by the Food Surveillance Department.

Siguldas maiznieks is the market leader in Latvia of bread crackers manufacturing between Latvian producers.

Our medals of honor:

The company has been nominated and has won the following Medals of Honor

- „Riga Food 2003 – The Bronze medal” – Homemade cookies
- „Product of the year 2010” - Mini bread crackers with raisins
- „Product of the year 2011” - Mini bread crackers with raisins
- „Product of the year 2012” - Mini bread crackers with raisins
